

The contents of the folder (labelled Project 2) are as follows:

- **.ipynb_checkpoints** (folder) contains checkpoints from the ipython notebook called **titanic_project.ipynb**
- **titanic_project.ipynb** (file) is the ipython notebook that the analyses and data exploration for this project were completed in
- **Images** (folder) contains some of the figures that are used in the files **Titanic_PASIMPSON_10102016.docx** and **Titanic_PASIMPSON_30102016.pdf**
- **titanic_data.csv** (file) is the csv file that contains the data used in **titanic_project.ipynb**
- **Udacity Reviews** (file) is a pdf of the rubric you posted on the project webpage (probably not for your consumption).
